@ZodiacNautic

@Zodiac\_Nautic

@ZodiacNautic

It isn't exclusive to explorers who go to the ends of the earth.

Adventure can be as simple as a fishing trip with your children or a trip to the sea at sunset.

The key is knowing how to retain the childlike spirit you had growing up, when you dreamed of exploring the world.

## ADVENTURE IS MORE THAN JUST A WORD. IT'S AN EMOTION

It's that feeling when you weigh anchor, leave the port or discover a cove.

At ZODIAC, we build sturdy, versatile, reliable vessels that are designed for exploration but tailored to your experiences.

# STOP DREAMING OF ADVENTURE LIVE IT!

125 years of experience and inventor of the inflatable boat, Zodiac Nautic offers products with exceptional resistance and reliability thanks to materials and manufacturing processes that are always at the cutting edge of technology.

World-renowned French brand, founded in 1896  
Manufacturer of airships

- 1920: First shuttles for the French Navy (transport of shells and ammunition)
- 1952: Alain Bombard's Atlantic crossing on board the Hérétique
- 1960: Development of boating and inflatable boats for the public (leisure boom)
- 2006
- 2007: Largest turnover in ZODIAC's history (€80bn)
- 2015: Zodiac Nautic is taken over by three French industrialists: Dominique Heber-Suffrin, Pierre Bastid & Florent Batistella
- 2017: Launch of the eJET 450, the first electric tender with a water jet for the tender market
- 2021: Launch of an electric range

# HISTOIRE

# BUILT TO EXPLORE FREEDOM

## BUILT TO SECURE

The tubes of a Zodiac boat have several compartments separated by watertight partitions. Thanks to this technology and its significant air reserve, the boat retains its buoyancy and remains conceptually unsinkable when fully loaded, even with a deflated compartment.

## BUILT TO STABILIZE

The buoyancy distributed around the edges, combined with a very low centre of gravity, ensures a stability that makes Zodiac boats almost impossible to capsize when loaded!

## BUILT TO RESIST

Zodiac carefully selects the materials that are used to build its boats according to a strict set of specifications that guarantee an exceptional standard of quality. Zodiac Nautic is probably the only manufacturer to put its new boats through a rigorous series of sailing tests in extreme conditions. Rest assured, your Zodiac Nautic boat will accompany you everywhere and for a long time.

# QUALITY

## THE REMOVABLE TUBE. A CONCEPT BY ZODIAC NAUTIC

The tube acts as a bumper and prevents your boat from being damaged during manoeuvres.

Available on most of our models, the tube is equipped with a bolt rope that slots into a groove in the hull. Sealing is ensured by pressurising the tube. Fully removable, the tube can be dismantled and folded for easy maintenance, repair, transport and storage.

## CHANGING THE TUBE?

Nothing could be simpler; the tubes can be replaced independently of the hulls, ideal for renovating or giving your boat a new look at low cost.

# GAMMES

## DIVERSITY

At Zodiac, we design boats to withstand all conditions and for all uses. Whatever your needs, we have the model with the right profile for you.

YOU CAN NOW CREATE YOUR OWN CUSTOMISED MODEL USING OUR CONFIGURATOR.

**AN INTERNATIONAL NETWORK OF TRUST**

Present in more than 50 countries around the world, Zodiac Nautic and its 1.600 agents will use all their expertise to support you.

Our network guarantees an efficient and reliable after-sales service: whether you need a new accessory or to replace a lost part, you are sure to find a Zodiac Nautic dealer who will provide you with the expertise you need for your leisure activities. Our agents often maintain the same boat for over 20 years!

Do not hesitate to consult them: they will be able to advise you when you purchase your boat and then ensure its maintenance. We count on them, they deserve your trust.

Find all our dealers:

**ZODIAC-NAUTIC.COM**

\*CADETS = 2-year guarantee. For conditions and geographical areas of application, please contact your distributor. N-ZO, MEDLINE, PRO, OPEN, YACHTLINE - 5-year guarantee under conditions (2 years at purchase + 3 years if registered in the ZODIAC club). For conditions and geographical areas of application, please contact your distributor.

**JOIN THE CLUB**

**YOU ARE OUR BEST AMBASSADORS!**

Buying a Zodiac means joining a community.

A community of enthusiasts, of pioneers. A community of owners who know that the quality of a boat starts with its design.

That resistance, reliability and robustness go hand in hand with safety and peace of mind.

A community that knows how to share its good ideas, its advice and its experience.

A community that meets around the world for unique events and knows that a Zodiac is much more than just a boat.
